Ima! is a new three-level Japanese textbook program that focuses on dynamic language and cultural content. The series is topic-based with communicative tasks interwoven with cultural information and grammatical structures. The first chapter in the textbook helps students begin to read and write hiragana. Subsequent chapters introduce new words and expressions by means of photo/cartoon stories that will appeal to teenagers. Speaking activities based on illustrations provide a variety of topics for students to talk about.

Supplementary Materials:
• Workbook—contains an extensive range of exercises to support the textbook in listening, reading, and writing the Japanese presented in class.
• Audiocassette Program and Audio CD Program—contain recordings of the photo/cartoon stories with listening comprehension exercises, all recorded by native speakers.
• Teacher’s Activity Pack—includes supplementary activities on blackline masters, flashcards, an audiocassette, as well as student progress sheets and sample assessment tasks.
• Teacher’s Resource Kit—contains the Teacher’s Manual, editable assessment activities, and technology activities and tips, all on a convenient CD-ROM.

Hai, Ima!
by Elise Wackett and Misho Okutsu

Hai, Ima! (Level 3) ©2003
Textbook (hardcover) . . . . . . . . . . . . $59.95 • 0-8219-2625-X
Workbook . . . . . . . . . . . . . . . . . . . . $29.95 • 0-8219-2626-8
Audio CD Program . . . . . . . . . . . . . . $159.00 • 0-8219-2627-6
Teacher’s Resource Kit . . . . . . . . . . $149.00 • 0-8219-2628-4

Supplementary Materials:
• Workbook—contains listening, reading, grammar, and writing activities as well as computer-based tasks.
• Audio CDs—feature high-quality recordings by native speakers of various texts from the textbook and of the listening activities from the workbook.
• Teacher’s Resource Kit—contains a Teacher’s Manual that includes practical guidelines for teaching the course, as well as blackline assessment tasks focusing on the four language skills. An accompanying audio CD provides recordings by native speakers for the listening assessment tasks.

Each of the six units features:
• A groundbreaking approach with each of the six units being presented in a different “magazine” style
• Topics of strong interest including teenage interests and leisure pursuits, hi-tech Japan, popular trends in everyday life, sightseeing in Hiroshima, cultural festivals and traditions, adventure-sport holidays, and the world of work
• Text types such as letters, interviews, horoscopes, profiles, advertisements, articles, vox populi, e-mail, quizzes, maps, brochures, newsletters, diary entries, and surveys. This wide variety of text types enables students to recognize and use Japanese in different contexts.
• Clearly structured, varied speaking activities and longer reading passages geared to older students
• Well-developed grammar explanations appropriate for this more advanced level
• An optional feature on gaining familiarity with the plain form
Kimono

Here is a three-level program for beginning through intermediate Japanese instruction. Featuring a colorful, communication-oriented approach to learning Japanese, *Kimono* will help your students express themselves in the language from day one.

- Presents the language within its practical cultural context to encourage authentic use of the language and enhance understanding of everyday life in Japan.
- Uses topics of interest to young people as springboards to present practical language concepts. Students learn to talk about themselves and their families, sports, leisure, food, and drink.
- Imaginative exercises and activities, supported by carefully presented grammatical explanations, help students become proficient in the language.

• Full-color photographs and illustrations grab your students’ attention and support the cultural content of the textbook.
• Strong support for the textbook is provided by:

**Supplementary Materials:**

- **Workbook**—Offers a variety of exercises and activities correlated to and supporting the language and cultural concepts presented in the textbook.
- **Teacher’s Manual**—Provides you with teaching suggestions, a scope and sequence chart, a tool for student assessment, and reproducible activities, exercises, and tests.
- **Audiocassettes**—Includes listening comprehension activities, songs, and a variety of listening activities from the textbook.
- **Hiragana Puzzle Book** features a collection of crossword puzzles based on the vocabulary presented in each unit of *Kimono 1*. This puzzle book also contains a Japanese-English vocabulary at the end of the book as well as answer keys to all the puzzles.
**Shinkansen Readers**
by Sue Burnham

Complete set of 8 readers and
Teacher’s Activity Book ........... $44.95 • 0-8219-1682-3

C1 - A Sumo Story ............... $3.95 • 0-8219-1680-7
C2 - Temples in Kyoto, Soccer in Osaka ...... $3.95 • 0-8219-1681-5

The Shinkansen Reader series features eight Japanese readers designed to be used individually or as supplements to the Kimono series. The readers are appropriate for beginning and intermediate levels of Japanese and feature a vocabulary index to assist students. The Shinkansen Readers are cleverly designed to reinforce vocabulary and structures in an appealing and high-interest manner. As the readers progress steadily in their grammatical complexity, they bring students into age-appropriate stories and contexts that are real and entertaining.

**A1 - Nightmare on Dan’s Street**
Dan's nightmare visit to the dentist affects his classes.

**A2 - Satodo Surfs the Net**
What happens when Satodo surfs the Internet?

**A3 - I Want to be a Samurai**
Find out how life in Japan has changed since Tokugawa times.

**B1 - To Yuki from Michael**
Having a pen pal is a full-time job!

**B2 - Toyotomi Faces the Monsters**
Living in a computer game when not everyone is an ace player.

**B3 - Cheesecake Crepes in Kyoto**
Learn about the fun things to do in Kyoto.

**C1 - A Sumo Story**
What is it about Sumo wrestling that excites fans of all ages?

**C2 - Temples in Kyoto, Soccer in Osaka**
Osaka girls know how to have fun on Saturday!
